8. DATA TRANSFER

Personal Data can be disposed as technical recording or sticker printouts to the partners of the Student Union for direct marketing purposes if the member grants an authorization for it.

The partners will not dispose personal data for third parties. The data will not be given or transferred outside of EU or economic region of Europe.

9. REGISTER'S PROTECTION

Only designated Student Union staff and persons elected to a position of trust as well as associations' staff and persons elected to a position of trust commissioned by the Student Union have the right to access the member register and they have been introduced with the changes the GDPR brings and they have signed an agreement about the personal data practices.

There are different levels of access rights and each user is only able to access and view data that is necessary for their tasks. Each user has their own username and password that are required while logging in.

Member register is a service provided by external company, which servers are in Finland. We have updated the GDPR standards fulfilled agreement's data protection appendix with the company providing the service.

10. PROFILING

Personal data is not used for profiling or any automatic decisions.

11. REGISTERED RIGHTS

Right to have access to own personal data

Every member has the right to know what personal data is recorded in the membership register referred in this registration description. Everyone is also able to check that there are no data concerning them in this register.

The data can be checked once in a year without a charge. A request for data check-up has to be signed and personally delivered or delivered in another secured manner to the address of the Student Union.

The data can also be checked by visiting the Student Union office in person. There will be an ID check-up before any data is given.

The right to check-up data can only be denied in a case of exception. If the right to check-up data is denied a written letter of denial will be given. The person in question has the right to contact Data Protection Ombudsman who will settle the case: The Office of Data Protection Ombudsman, PL 315, 00181 HELSINKI.

Right to correct own personal data

Registered has a right to ask that it's personal data will be corrected if the data is wrong or changed. Registered has also a right to correct inadequate personal data by delivering necessary details.

The Student Union corrects, supplies and deletes incorrect, unnecessary, defective and outdated data from the register. A request for a revised decision concerning data can be done by sending it to the Student Union's address or by visiting the office in person. The ID of the person will be checked.

If the correction of data is denied a written letter of denial will be given. The person in question has the right to contact Data Protection Ombudsman who will settle the case: The Office of Data Protection Ombudsman, PL 315, 00181 HELSINKI.

Right to delete data

Register has a right to ask the information about him/her to be deleted if

- a) personal data is no longer needed for the purposes it was collected for; or
- b) personal data has been processed illegally.

Right to restrict the process

Registered has a right to restrict the process of his/hers personal data if

- a) registered denies the reliability of his/hers personal data;
- b) process is illegal and registered refuses the disposal of his/hers personal data and demands the restriction of them; or
- c) Registrar no longer needs the personal data for the process it was collected but registered needs them for legal claim preparation, representation or defend.

Right to move data between systems

Registered has a right to get him/her personal data in structured, commonly used and machine readable form and move the data to another registrar.

Right to appeal to supervisory authority

Registered has a right to hand over the matter to a supervisory authority process if registered sees that his/hers personal data has been violated against the law.

12. CONTACTS

In all questions related to personal data use or own rights the registered should contact the registrar.
